

Grant Program

The Commercial & Industrial Real Estate Council of the Lancaster County Association of Realtors® is instituting a Grant Program whereby the Council grants money to organizations who espouse the mission of the Council. The goal is to promote commerce and business within the commercial real estate market of Lancaster County and surrounding regions.

Applicants must complete a Grant Application by the March 31, 2018 deadline. The applicant organization's mission must have a direct impact on local and regional economies, with a strong emphasis on real estate development, buy/sell/lease transactions and economic development.

Applicant organizations shall enhance the ability for real estate developers, brokers and Realtors® to work with a strong emphasis on job creation in the real estate industry. The organization applying for the grant shall be in good standing within their state and community in which they operate, be of good reputation and have been in existence for at least five years.

No grant request shall exceed the sum of \$3,500. Grants are awarded within the subjective discretion of the C&I Council Board of Directors.
